--2014 Teamwork Makes the Dream Work 2014--

Language Arts Station

Social Studies Corner

We have covered the ETO (European Theatre of Operations) this week. Next week we will cover the Pacific Theatre and the end of the war and the war's effects on the home front. The tentative date for the unit test and INBs due is 5 February.

We are about a third of the way through Foster's War. In our work stations this week we created posters through www.tackk.com. The students had a blast.

We are continuing to focus on learning how to "think" as we read. Our focus is on how to infer.

Next week in writing, we will continue our work on persuasive/argumentative writing.

Important News:

Please sign up for Remind 101 with your teacher's code; you will get VITAL information in a timely manner.

If you need to get a message to your student or pick them up after 10:10 AM, tell the office that they are in their Block 2 class.

We are in need of tissues. If you have a box at home to spare then please send some to school next week.

Parent Portal is YOUR best way to track student grades online. Remember that midterm notices are no longer sent home. We only send home quarterly reports.

Be sure to go through and sign your student's Friday Folders.

Today's folders includes field trip information.
